Language: This week we study spelling words that have long i and long o vowel sounds. In Grammar we learn about possessive nouns and appositives.

Writing: We continue writing and improving our personal narrative draft. We learn how writers can make their words more interesting.

Reading: We continue to look for context clues & figurative language, specifically similes, while finishing up *Bridge to Terabithia*.

Social Studies: We will learn what life was like for the various American Indian tribes of the Great Plains.

Math: We will work on word problems using decimal operations. We will start to review and practice for the Module I test.

Religion: In Chapter 7, we learn that Ordinary Time is a special season to learn about the life of Christ and to grow as his followers.
