Language: In grammar we learn about inappropriate shifts in verb tenses and irregular verbs. We study vocab words from unit 8.

Writing: We will start a new writing notebook for opinion essays.

Reading: We continue to read our novel Holes. We learn new vocabulary words and practice looking up definitions in the dictionary.

Science: We begin week 7 learning about motion & energy. We learn about Newton's 3 laws of motion. We also read about gravity and different types of forces.

Math: We practice dividing decimal dividends by multiples of 10, reasoning about the placement of the decimal point & making connections to a written method.

Religion: We learn how to live as prayerful people and that there are many ways members of the Catholic Church pray. We learn about the rewards of daily prayer & how sacramentals enrich the Church's prayer life.
