THIS WEEK'S FOCUS:

Language: In grammar we learn about simple subjects and simple predicates. We study spelling words with short vowel sounds in the 1st syllable.

Writing: We begin to learn how to write a personal narrative.

Reading: We continue to practice reading for a purpose and using strategies to look for key details and ideas.

Social Studies: Students will study the geography, culture, and government of the American Indians of the Southwest.

Science: Students continue to learn that scientists & engineers must measure both precisely & accurately to collect data & make valid conclusions.

Math: Students learn decimal fractions and place value patterns.

Religion: We read Ch. 2 in religion and learn that we participate in the mission of the Church and witness to Christ.
